

I've made the decision!

I'm going to Africa

to serve at an orphanage and need your help.

Heart for Africa is a non-profit organization coming alongside local African orphanages to help them achieve self-sustainability. It's not okay with me that children are suffering and I want to do my part to help them. During the trip I will spend time with the children while planting vegetable gardens, painting, and doing other projects at the orphanage. I want the children to know that we care about them and we want to make a difference.

Please help me go and help the children.

To make a donation to help me go to Africa, go to www.heartforafrica.org and click on **Donations / Trip Donations**. When completing the form, be sure to enter my participant code,

_____.
All donations to Heart for Africa are tax-deductible to the extent allowable by US law.

Thank you for your support!
